

Re: That Midnight Cookie Craving

Insomnia Cookies Debuts

Tuesday, March 25, 2008

You've always considered yourself a creature of the night.

And you've always been a fan of delivery services (*especially* in the evening).

So let us introduce you to a new type of late-night entertainment that really delivers... Manhattanites, meet **Insomnia Cookies**, the new cookie emporium and delivery service for the Dusk 'til Dawn-crowd. You might already know their story: a couple of Juniors at UPenn started baking up cookies and brownies and delivering them on campus.

A dozen locations later (all conveniently located in college towns), Insomnia Cookies is still sizzling hot. Look for their recently opened Manhattan store on West 8th Street in the heart of Greenwich Village.

Or just give them a call when the Midnight munchies hit.

Pair them with the best organic milk you can find.

Insomina Cookies is open daily from 9:00 a.m. to 3:00 a.m. Evening delivery service runs from 8:00 p.m. to 3:00 a.m., from 14th Street to Broome Street, and River to River.
